Alcohol may not be used in a manner that will cause Student to be impaired while at the Facility. Students shall be tested for Substances as directed by the School or the Facility.

#### **The Substance Policy**

The Students are seeking Facility experience that is not granted to the general public.

It is Facility policy to maintain a drug and alcohol free environment.

By choosing to access the Facility through the program, the Student *must* agree to follow the Facility’s substance abuse policy, including Substance testing.

*Any Student who chooses not to agree to this policy has chosen not to be in the program.*

No Student shall be in the program who:

- Has chosen not to comply with the Facility’s or School’s directives;
- Is unfit for duty; and/or
- Has not passed a Substance test within the twelve (12) months preceding Student’s provision of Patient Care Services.

The School shall:

- Provide the Facility with a copy of each Student’s completed Consent Form or request Student to provide the completed Consent Form to the Facility;
- Conduct testing of Students through a licensed laboratory, if School is responsible for Substance testing; and
- Provide to the Facility copies of each Student’s test result, for every test, if School is responsible for Substance testing.

Substance Testing may also be required by the Facility:

- When a Student is injured at the Facility;
- When a drug is not accounted for per Facility policy;
- For oversight of a Student who has previously completed a Substance rehabilitation program;
- For a Student who has been absent from the School or program for more than 30 days (except for regularly calendared school breaks); and
- When a Student appears to be unfit for duty.
