

ONLINE **ON YOUR** **TIME**

BACHELOR OF ARTS **SOCIOLOGY**

WHAT YOU'LL LEARN

You'll develop a critical understanding of society and the relationship between individuals and society with a degree in sociology. You'll receive the training necessary to work in fields such as human relations, nonprofit, criminal justice, research, and education. The faculty in the sociology department at Purdue Fort Wayne will ensure you're prepared for your next step, whether it is joining the workforce or continuing your education in a graduate program.

DEGREE REQUIREMENTS

- 33 credit hours in general education courses
- 15 credit hours of core concentration courses
- 15 credit hours of sociology electives
- 57 credit hours of general electives; earning a minor in an outside area such as anthropology, computer science, economics, or political science is highly recommended.

TRANSFER CREDITS

Transfer credits from other accredited institutions may be accepted, as determined by a credit evaluation.

BACHELOR OF ARTS SOCIOLOGY

TECH REQUIREMENTS AND SUPPORT

We recommend that your computer's operating system is equal to or newer than Windows 7 or Mac OS 10.6. You will also need high speed internet service with a minimum bandwidth speed of 10 mbps to access your course materials.

When you become a student, the Information Technology Services (ITS) department is available to assist with any technology issues you may experience while you're enrolled at Purdue Fort Wayne.

You may email the help desk at helpdesk@pfw.edu or call them at 260-481-6030.

RESOURCES

As an online student, you'll have access to nearly all the resources traditional students enjoy.

[Helmke Library](#) offers an expansive array of services and collections for your use. You can even chat with a subject librarian.

[The Writing Center](#) consultants are available to you through their online service. You simply submit a request via email, and they'll get back to you. The center also provides quick reference guides and handouts that will help you with your writing assignments.

FINANCIAL AID

We understand that affordability is an important factor in choosing where to pursue your education. Purdue Fort Wayne strives to make it possible for everyone to attend college, so financial aid is available in multiple forms. From grants to scholarships to loans, there is sure to be a solution for you. As an online student, you qualify.
