### Parental Supervision Statement

IPFW is a public institution of higher education that offers a wide variety of classes, to a wide range of students from differing backgrounds, including adults and children in grades pre-K-12. While the IPFW College of Visual and Performing Arts is committed to ensuring the safety and well-being of all students, parents are reminded that it is their responsibility to supervise minors when they are on campus and not in the classroom. Before and after class, our teachers cannot take the place of a parent and assume responsibility for unsupervised children.
