

Visiting Assistant Professor in Civil Engineering - The Department of Civil and Mechanical Engineering at Purdue University Fort Wayne (PFW) invites applications for a one-academic-year (i.e., fall 2020 and spring 2021 semesters) visiting assistant professor position starting in August 2019. The department seeks candidates with primary expertise in structural engineering with a solid background in civil engineering materials. The successful candidate is expected to teach a full load of four courses per semester.

Candidates must have a Bachelor of Science degree in civil engineering and a doctorate degree in civil engineering with focus on structural engineering. The successful candidate will mainly teach undergraduate courses in structural engineering and civil engineering materials. Applicants for the position are required to have a strong commitment to excellence in teaching and to provide outstanding classroom and laboratory instructions. Industrial experience is desirable, but not required.

PFW offers a competitive salary and benefits package and an excellent work environment. Fort Wayne is the second largest city in Indiana and is located within several hours of Chicago, Columbus, Cleveland, Cincinnati, Detroit, and Indianapolis. It is a great community that boasts affordable housing and a low cost of living.

Review of applications will begin immediately and the position will remain open until filled.

A check of criminal conviction records will be made for employment in this position.

This position contingent on available funding.

Applicants should submit a letter of application, a statement of teaching philosophy, evidence of teaching effectiveness, a curriculum vitae, and the names of three references to:

<https://careers.purdue.edu/FW/go/FW-Faculty/7720100/>. *Candidates who are invited for a campus visit will deliver a 45-60 minute instructional presentation.*

Purdue University Fort Wayne is an Equal Opportunity/Equal Access/Affirmative Action Employer fully committed to achieving a diverse workforce. All individuals, including minorities, women, individuals with disabilities, and protected veterans are encouraged to apply.
