Subject: Change in Composition of the Intercampus Faculty Council
Disposition: To President Beering for Approval

According to Section C of the University Code, the Intercampus Faculty Council is charged with the "coordination of the legislative and policy making actions of the various faculty governing bodies" at West Lafayette, Calumet, Fort Wayne and IUPUI. To make this section of the Code more consistent with current practices and to provide for more continuity on the council, the council has proposed certain changes in its composition as specified below. According to Section C 7.00, implementation of these changes requires approval by the governance bodies of each of the four campuses involved, the President of the University and the Board of Trustees.

The PU CIA recommends approval of the following changes in Section C 3.00 of the Code.
