SUBJECT: Amendment to the Bylaws of the Fort Wayne Senate--Membership of the International Studies Program Advisory Subcommittee

DISPOSITION: To the Presiding Officer for implementation

Resolved, That the Bylaws of the Fort Wayne Senate be revised by inserting the boldface words below.

5.3.3.7 The International Studies Program Advisory Subcommittee shall consist of the Director of the Program, one student at or beyond the second-year level in the International Studies Program **selected annually by the Students' Government upon the recommendation of the chief officer of the International Students Association or successor organization, a staff member in Transitional Studies selected annually by the chief administrator of that unit,** and five faculty members elected by the Senate to staggered three-year terms. The chair shall be elected by the Subcommittee from among the members elected by the Senate.

This Subcommittee shall be the liaison between the Faculty and the Director of the International Studies Program, advising the Director on matters relating to the International Studies Program and recommending policies and goals for the International Studies Program to the Senate.
