**DIVISION OF HEALTH SCIENCES
Procedures for Promotion and Tenure**

The Division faculty will follow the Procedures for Promotion and Tenure Senate Document SD 88-13, Amended and Approved 1/16-1/23/89, with the following additions:

Division of Dental Auxiliary Education faculty only.

The Division Director presents the faculty member's case to the Promotion and Tenure Committee of Indiana University School of Dentistry for consideration and recommendation.

The Department/Program Committee - Primary Committee

The Department/Program Committee will be composed of five tenure track faculty elected by the Department/Program faculty. The Department/Program Chair will serve as non-voting chair of the Primary Committee.

When a Department/Program does not have enough tenure track faculty to convene a committee of five, the Department/Program chair will request the Division Director to appoint the remaining Committee members from the Health Science Division faculty.

School/Division Committee

Each Department/Program will elect not more than three tenure track faculty members from the Department/Program faculty whose names will be submitted to the Division Director.

The Division Director will select five faculty from the submitted names providing balanced representation of the disciplinary areas to form the School/Division Committee.

The School/Division Director will serve as non-voting chair of the School/ Division Committee.

Campus Committee

The Division will submit three names to the Chancellor for consideration. These three faculty will be elected by the faculty at large.
