

To: The Senate  
From: University Resources Policy Committee  
Date: December 11, 1990  
Re: Amendment of Senate By-Laws

Disposition: To the Presiding Officer for Implementation

Resolved, That the By-Laws of the Senate concerning the duties of the Computer Users Advisory Subcommittee be amended as shown below:

Present

5.3.5.2.2.1 To advise the Senate, through the University Resources Policy Committee, on any and all matters which affect present or future local and remote computer usage, including but not limited to peripherals, major software acquisitions, access policies, standards for connecting equipment to IPFW computer networks, partition policies, etc.

5.3.5.2.2.2 To advise the administrator of computing and data-processing services and the administrative council on computer policy on the matters listed in the above paragraph

5.3.5.2.2.3 To consider expeditiously every proposal submitted to it, and to seek opinions on substantive issues from those who have computing accounts

5.3.5.2.2.4 To advise individuals and academic units on acquisition and use of computers acquired with individual or departmental budgets

5.3.5.2.2.5 To advise IPFW continuing education, upon request, on the sponsorship of continuing-education programs in which computers are used.

Proposed

5.3.5.2.2.1 To advise the Senate, through the University Resources Policy Committee, on any and all matters which affect present or future computer usage.

5.3.5.2.2.2 To advise the Director of Computing and Data Processing and the Information Technology Steering Committee on the matters listed in the above paragraph.

5.3.5.2.2.3 To advise individuals and academic units on acquisition and use of computers acquired with individual or department budgets.
