Subject: Amendment to the Constitution of the Fort Wayne Faculty—Definition of university affiliation

**Resolved**, That the Constitution of the Fort Wayne Faculty be amended by inserting the boldface text, as indicated below.

**I. Definitions**

- E. University affiliation shall lie with the institution assigned the academic mission for the unit in which the Faculty member holds an academic appointment. A member of the Faculty who serves in more than one unit shall be counted among the Faculty of the unit to which the most service is assigned; a member of the Faculty who serves equally in two or more units shall inform the chief academic officer, prior to the annual certification, of the unit in which the Faculty member wishes to be counted.**
