

INDIANA UNIVERSITY-PURDUE UNIVERSITY FORT WAYNE

EDUCATIONAL POLICY COMMITTEE

To: Fort Wayne Senate  
From: Educational Policy Committee  
S. Hollander, chair *SK*  
Date: March 14, 1996  
Subject: Amendment of the Academic Regulations—Determination of student classification

**Resolved**, That the Academic Regulations be amended by adding the boldface text below.

1.3 Student classification: a system for classifying students regularly admitted to IPFW:

<u>Classification</u>	<u>Credits Completed toward Degree</u>
1 (freshman)	Fewer than 30
2 (sophomore)	30-59
3 (junior)	60-89
4 (senior)	90 or more

The Registrar may establish additional classifications to serve IPFW's record-keeping needs. The Registrar will report classification codes to Indiana University and Purdue University in a manner consistent with their respective codes.

A student's classification is determined by the academic advisor, and should reflect the student's progress toward completing the curriculum in which the student is enrolled. **In making this determination for a future academic session, the academic advisor should include courses and credits the student expects to complete by the time that session begins.**
