## Engineering Graduate Teaching Assistantship

Graduate Teaching Assistant (GTA) positions are available for students enrolled in the Master of Science in Engineering (MSE) program at Indiana University–Purdue University Fort Wayne (IPFW) starting in the fall 2008.

GTA's are required to teach at least one undergraduate engineering course during the fall and spring semesters. The specific courses to be taught are dependant on the departmental needs and the candidate's background.

### Qualifications

- B.S. degree in engineering or closely related field from an accredited institution with a cumulative GPA of at least 3.0 on a 4.0 scale
- Enrolled as a full-time student (at least eight credit hours) in the MSE program at IPFW during the time of employment
- Strong oral and written communication skills
- Teaching experience preferred

### Salary and Tuition Benefits

Salary is in accordance with IPFW guidelines for a quarter-time (0.25 FTE) GTA position. In addition, GTA's will be eligible for reduced tuition. For example, in the 2007-2008 academic year, the *minimum* salary for a quarter-time GTA appointment was \$616/month which was coupled with a reduced tuition rate of \$612 per semester plus \$25.90 per credit-hour. These are historical rates and are subject to revision.

### How to Apply

Submit a cover letter, resume, and a one-page statement describing your teaching background, educational philosophy, and the course that you would like to teach. The application packet can be submitted electronically (preferred) to [muellerd@ipfw.edu](mailto:muellerd@ipfw.edu) or mailed to the Department of Engineering, Indiana University–Purdue University Fort Wayne, 2101 E. Coliseum Blvd., Fort Wayne, IN 46805.

For more information, contact Dr. Don Mueller at [muellerd@ipfw.edu](mailto:muellerd@ipfw.edu) or (260) 481-5707.
