**Office of Research,
Engagement, and Sponsored**

Programs (RESP) is a unit within the Office of Academic Affairs (OAA) that was created to serve the scholarly and creative activities of faculty, students, and staff. Our mission is to facilitate the procurement of external support through research grants, contracts, and technical assistance agreements; to administer internal support for research; and to document and publicize the scholarly achievements of members of the IPFW community.

RESEARCH, ENGAGEMENT, AND SPONSORED PROGRAMS

INDIANA UNIVERSITY–PURDUE UNIVERSITY FORT WAYNE
ACADEMIC AFFAIRS

The Office of Academic Affairs is pleased to present ***Faculty Accomplishments*** for 2011. Faculty Accomplishments provides a comprehensive listing of the scholarly and creative activities of the faculty conducted during the 2011 calendar year. It is a small way for IPFW to recognize, celebrate, and thank our faculty for their endeavors.

The Office of Research, Engagement, and Sponsored Programs compiled this report from data provided by faculty in their annual reports of productivity through the Opus scholarly works database.

We congratulate the faculty for their success and encourage their continuing efforts to position IPFW at the heart of the intellectual life of northeast Indiana.
