RESOLUTION

ATTACHMENT A

Proposed Resolution #1:

WHEREAS we, the School of Engineering, Technology and Nursing AD HOC COMMITTEE ON PROMOTION AND TENURE feel that active advocacy for promotion and tenure is essential in attracting and retaining competent faculty members, we need each department faculty to meet and formulate A CRITERION for promotion and/or tenure which IS applicable to said department. A document for ALL DEPARTMENTS of the School of Engineering, Technology, and Nursing will be constructed using all of the criteria as submitted by the several departments to assist the various committees involved in the promotion and tenure process with their decision-making efforts regarding faculty members petitioning for promotion and/or tenure.

Amended Resolution #1:

WHEREAS we, the School of Engineering, Technology and Nursing ASSEMBLY OF REPRESENTATIVES feel that active advocacy for promotion and tenure is essential in attracting and retaining competent faculty members, we need each department faculty to meet and formulate CRITERIA for promotion and/or tenure which ARE applicable to said department. A document for EACH DEPARTMENT of the School of Engineering, Technology, and Nursing will be constructed using all of the criteria as submitted by the several departments to assist the various committees involved in the promotion and tenure process with their decision-making efforts regarding faculty members petitioning for promotion and/or tenure.

Proposed Resolution #2:

WHEREAS we, the School of Engineering, Technology, and Nursing AD HOC COMMITTEE ON PROMOTION AND TENURE support the advocacy for faculty members petitioning for promotion and/or tenure, each faculty member should receive annual written performance evaluations: a copy of the evaluation should also be added to the individual faculty member's file. This evaluation can then be used as augmenting

information in the preparation of the promotion and/or tenure case.

Amended Resolution #2:

WHEREAS we, the School of Engineering, Technology, and Nursing ASSEMBLY OF REPRESENTATIVES support the advocacy for faculty members petitioning for promotion and/or tenure, each faculty member should receive annual written performance evaluations FROM HIS/HER RESPECTIVE SUPERVISOR ADHERING TO THE APPROPRIATE ESTABLISHED CRITERIA; a copy of the evaluation should also be added to the individual faculty member's file. This evaluation can then be used as augmenting information in the preparation of the promotion and/or tenure case.
