

Note: Each version of Android may be a little different.

1. From the Home Screen, press the **Menu** button > **Settings** > **Wireless & networks** > **Wi-Fi Settings**.
 - a. Verify Wi-Fi is on.
2. Under **Wi-Fi networks** tap the network you wish to join.
 - a. For Faculty or Staff: **IPFW Faculty Staff**.
 - b. For Students: **IPFW Student**.
3. In the **Connect to IPFW Faculty Staff** or **Connect to IPFW Student** dialog box, enter the following:
 - a. EAP method: **PEAP**
 - b. Phase 2 authentication: **MSCHAPV2**
 - c. Identity: *your IPFW username*
 - d. Anonymous identity: leave blank
 - e. Wireless password: *your IPFW password*
4. Tap **Connect**.
5. You should now be connected.
