

# Engineering Graduate Assistantships

## Teaching Assistantships (TA)

These positions are available for students enrolled full time in the Master of Science in Engineering (MSE) program.

## Qualifications

1. Undergraduate GPA  $\geq 3.25/4$  or equivalent
2. Earned an undergraduate degree in engineering
3. Very good or excellent performance in undergraduate courses they are likely to be assigned to teach
4. Must be enrolled as a full time student (minimum 8 credits), and
5. Having submitted a complete application for admission into the M.S.E. program by March 1st for fall semester, and September 1st for spring semester.

Candidates must indicate in their application that they wish to be considered for a TA position.

## Salary and Tuition Benefits

Salary is in accordance with IPFW guidelines for a quarter-time (0.25 FTE) Graduate TA position. In addition, TAs' are eligible for a reduced tuition. For example, in the 2013-2014 academic year, the *minimum* salary for a quarter-time TA appointment is \$666/month which is coupled with a reduced tuition rate of \$756 per semester plus \$33 per credit-hour.

## Research Assistantships (RA)

Depending on qualifications a successful TA candidate might be able to add to the TA appointment an additional 0.25 FTE RA appointment. Interested candidates must contact directly the faculty member who is the principal investigator of the grant that provides the funds for the RA support. Currently these are the research areas and the corresponding faculty member's contact information:
