

ETCS MISSION STATEMENT

The College of Engineering, Technology, & Computer Science (ETCS) serves as a valuable educational and research partner for northeast Indiana. We:

- Provide comprehensive undergraduate and graduate programs that prepare students for a variety of careers in engineering, engineering technology, computer sciences and related disciplines, and leadership;
- Serve the needs of the region and strive to achieve national recognition through excellence in teaching and learning, innovation and research, community engagement, economic development, and service.
