WHAT TO DO IF YOU ARE EXPOSED TO COVID-19

- Please follow all [public-health guidance](#).
- Individuals who are exposed to COVID-19 should:
 - Immediately start wearing a high-quality, well-fitting face mask when around others
 - Watch for symptoms
 - Get tested at least 5 days after their last exposure, even if the individual remains asymptomatic
- If you were exposed to COVID-19 and become symptomatic, you should immediately isolate and contact the Campus Health Clinic at 260-481-5748, or otherwise arrange a [COVID-19 test](#).
