

Included Course Material Fees for FALL 2021

Last Update 07.19.2021

- All Included Course Materials are selected by your Instructor.
- Included Course Materials are charges posted directly to your Bursar Student Account as 'Course Material Fees'
- In order to be refunded for the Included Course Material, you must drop the course during the refund period.
- "Length of Course Material Use" column. If this column lists one (1) term the course material fee will be charged each time you take that course. If this column lists three (3) consecutive terms you may repeat the same course for three (3) terms without being re-charged for the second and third terms. There are however some provisions that apply:
 - The course material must be the same book, the same publisher and the same version.
 - Example of three (3) consecutive terms equal Fall 2019, Spring 2020 and Summer 2020 or Spring 2021, Summer 2021 and Fall 21. If you took the same course in Fall 2019 and again in Fall 2020 you will be re-charged for the course material in Fall 2020.
- "Continuation Course" column. If this column lists yes followed by a department and course number, then the same material is being used for multiple courses you may take the courses listed without being re-charged for the course material for the second and third terms. There are however some provisions that apply:
 - The continuation course must be taken with-in three (3) consecutive terms.
 - The course material must be the same book, the same publisher and the same version.
 - Example of three (3) consecutive terms equal Fall 2018, Spring 2020 and Summer 2020 or Spring 2020, Summer 2020 and Fall 2020. If you took the Original Course in Fall 2019 and take the Continuation Course in Fall 2020 you will be re-charged for the course material in Fall 2020.
