- I understand that there will be fees charged for these course(s). The student must activate his/her goPFW student portal (*go.PFW.edu*) in order to receive an electronic bill. I will be responsible for all fees accrued, including late fees assessed, if not paid by due date.
- I give permission for the school corporation to share information with Purdue Fort Wayne about the student's eligibility for the national school lunch program. Qualifying students are eligible to receive financial assistance for the dual credit courses at their high school. **21st Century Scholars funding is not available** until after the student graduates from high school.
- I understand that if the student needs to withdraw from a Purdue Fort Wayne class, the student must contact the Collegiate Connection office by the dates listed in the *Collegiate Connection Student Handbook* (available online) or website, <https://www.pfw.edu/offices/cc/important-information/withdrawals>. A printed copy of the *Student Handbook* is available upon request. If the student does not contact the Collegiate Connection office, I understand that I will be responsible for all fees incurred.
- I understand that any courses registered for or grades earned are a permanent part of the student's university transcript, regardless of the grade earned. Failing college classes has consequences and may impact future federal financial aid.
- I understand that it is the student's responsibility to verify with the college or university the student plans to attend if the course(s) will both transfer to the institution and fit into the academic major.
- I understand that once the student begins classes, all of the student's records including, but not limited to, academic records, financial records, medical records, etc., are protected by the Family Education Rights and Privacy Act (FERPA).
- I authorize Purdue Fort Wayne to report admission status, academic progress, and disciplinary history to the student's high school counselor.
