

10. The Feedback is viewable by the student in Quizzes. Refer students to the following guide: [For Students: View a Graded Quiz and Review Feedback.](#)

Quiz 1 ▾	Feedback: On Attempt	1 / 1
----------	----------------------	-------

Part 5: Grade and Add Feedback from your Gradebook

1. Click **Grades**.
2. From the Enter Grades tab, go to the specific grade item.
3. Click the dropdown arrow next to the grade item name.
4. Select **Enter Grades**.

5. Scroll down to view a list of your students.
6. To provide text or an embedded Video Note, click the pencil icon to the far-right of the student's row. (Note: This feedback option can be used with any grade item type, including a text-based grade item.)

<input type="checkbox"/>	Last Name ▲, First Name	Grade	Feedback
<input type="checkbox"/>	Austen, Jane ▼	Meeting Expectations	No feedback provided. 

7. Use the 'Feedback' textbox to provide text feedback or an embedded Video Note that you record right in Brightspace.

8. Click **Save** when finished.

9. The Feedback including the embedded Video Note is viewable by the student in Grades.

Participation	Meeting Expectations	Overall Feedback Your level of participation in class is very good. Keep up great work.
