

## Link to Publisher & Other External Learning Tools

---

### Overview

Linking a 3<sup>rd</sup> party tool in Brightspace such as to a publisher's tool is simple after the tool has been integrated by the Administrator. Refer to the following webpage for the status of 3<sup>rd</sup> party tools that are integrated with Brightspace and which are available by at the Fort Wayne (FW) campus: <https://www.purdue.edu/learning-management/Integrations.php>

### Objectives

By following the guide, you will be able to:

- Part 1: Link a 3<sup>rd</sup> Party Tool in Brightspace.
- Part 2: Know where to Go for Help.

### Part 1: Link a 3<sup>rd</sup> Party Tool in Brightspace

1. From the course, click **Content** located in the navigation bar.
2. From Content, locate the module to which you want to add the link.
3. Click the **Existing Activities** button.
4. Select **External Learning Tools** from the dropdown menu.
5. In the 'LTI Link' column, locate the tool to which you want to link in your content.
6. After the link is placed in your content, click the link to make the connection.
7. Follow the prompts and add your credentials by the publisher/tool.

### Part 2: Know Where to Go for Help

If you need additional help or do not see the tool you are needing in Brightspace, contact ITS for assistance: <https://www.pfw.edu/offices/information-technology-services/get-help/>
