

**Gainful Employment Disclosure AY 2021-2022
Certificate in Behavior Analysis and Techniques**

This program is designed to be completed in 1 Year.

This program is estimated to cost \$4,162.64 - \$10,059.71 if you complete it within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Of the students who completed this program within normal time, the typical graduate leaves with \$25,495.00 of debt.

The program allows you to sit for the Registered Behavior Technician exam, which is a national test.

Note: Students are counted only if the certificate was their primary or secondary curriculum record. International students are excluded from median loan debt calculations. Debt information does not reflect cumulative borrowing for all students who completed this certificate. Loan debt figures include only loans for the semesters in which this certificate was the students' primary or secondary academic objective.
