Notes:

- Student enrollment is counted if a student is registered for at least one course on the census snapshot date for each fall semester. Student enrollment includes degree-seeking and non-degree-seeking undergraduate and graduate students.
- Academic categorization of undergraduate or graduate students is based on a student's primary academic program of study. The Graduate Level encompasses Masters, Doctor of Nursing Practice, and Certificates. The Undergraduate Level encompasses Baccalaureates, Associates, and Undergraduate Certificates. Non-degree seeking students are identified at the undergraduate and graduate levels.
- Full-time or part-time enrolled designation per IPEDS definition. Full-Time – Undergraduate: A student enrolled for 12 or more semester credits. Graduate/Professional: A student enrolled for 9 or more semester credits. Part-Time – Undergraduate: A student enrolled for less than 12 semester credit hours. Graduate/Professional: A student enrolled for less than 9 semester credits. IPEDS does not have to define full-time for the summer semester.
