**ENGINEERING &
TECHNOLOGY**

UPDATED SPRING 2016

7 STEPS TO STUDYING ABROAD IN YOUR MAJOR

1. Meet with your study abroad advisor to start your search
2. Learn more about each institution on its www.isep.org directory pages
3. Find courses in your major using course catalogs
4. Speak with your academic advisor for course approvals
5. Pay attention to language requirements
6. Start your application at www.isep.org/apply
7. Have questions? Contact us at info@isep.org

TECHNISCHE UNIV. GRAZ, AUSTRIA ●●●●

STRENGTHS:

- Civil Engineering (several courses offered at master's level)

HIGHLIGHTS: ISEP students enrolled at Technische Universität Graz may also sign up for courses offered at Karl-Franzens-Universität Graz at no further cost.

EDINBURGH NAPIER UNIV., SCOTLAND ●●●●

STRENGTHS:

- Architectural Technology
- Building Surveying
- Civil and Timber Engineering
- Civil and Transportation Engineering
- Civil Engineering
- Construction and Project Management
- Energy and Environment Engineering
- Polymer Engineering
- Property Development and Valuation
- Quantity Surveying
- Real Estate Surveying

UNIV. OF DEBRECEN, HUNGARY ●●●●

STRENGTHS:

- Civil Engineering
- Structural Engineering/
Infrastructural Engineering
(courses available in English)

HIGHLIGHTS: The institute is well equipped with physics, electronic and computer laboratories. Debrecen emphasizes quality in education and research by creating platforms for learning and through targeted research excellence.

GOTTFRIED WILHELM LEIBNIZ UNIV. HANNOVER, GERMANY ●●●●

STRENGTHS:

- Civil Engineering (some courses available in English)

HIGHLIGHTS: Graduate students in the engineering fields are encouraged to apply for research work and study projects in one of our research centers. The Univ. of Hannover is a member of the "TU9 - German Institutes of Technology," a group which includes nine technical universities of excellent standing.

YONSEI UNIV., SOUTH KOREA ●●●●

STRENGTHS:

- Materials Science and Engineering
- Coastal Engineering
- Construction Engineering
- Environmental Engineering
- Geotechnical Engineering
- Water resources Engineering
- Structural Engineering
- Transportation Engineering
- Surveying

HIGHLIGHTS: Research opportunities are available with the Civil Engineering Research Institute, a research center founded to promote cooperations between industry, academia and research. The institute aims at development of advanced techniques for new construction materials, SOC systems, water resources and environmental systems and information and management systems.

LULEÅ UNIV. OF TECHNOLOGY, SWEDEN ●●●

STRENGTHS:

- Civil Engineering

- ISEP Exchange program
- ISEP Direct program
- ISEP summer program also available
- Volunteer or internship experiences available

- Course information is available online
- Courses in English
- Course in host language

UNIV. OF BOTSWANA, BOTSWANA

STRENGTHS:

- Geotechnics
- Structures
- Highway
- Materials
- Hydrology and hydraulics
- Construction and Project Management
- IT
- Mining
- Geomatics, Water and Environmental Engineering

HIGHLIGHTS: The science and engineering departments have well equipped laboratory facilities which are comparable to those found in the developed world. Students may participate in service learning and internship opportunities.

UNIV. CATÓLICA DEL NORTE, CHILE

STRENGTHS:

- Civil Engineering

UNIV. DU HAVRE, FRANCE

STRENGTHS:

- Renewable Energy in Civil Engineering

HIGHLIGHTS: Specialized master's-level program in renewable energy in civil engineering offered in English during the fall semester. Program is open to qualified undergraduates, and students can combine subject area courses in English with French language courses for international students.

UNIV. ALFONSO X EL SABIO, SPAIN

STRENGTHS:

- Hydrology
- Construction
- Transport
- Urban Services

HIGHLIGHTS: Students with advanced language skills may receive assistance in locating unpaid internships.

COMPUTER & INFORMATION SCIENCE

AMERICAN UNIV. OF SHARJAH, UNITED ARAB EMIRATES ●●●●●●

STRENGTHS:

- Digital Systems
- Ethics for Computing and IT
- Design and Programming
- Data Structure and Algorithms
- Operating Systems
- Database Systems
- Programming Languages
- Software Engineering
- Human Computer Interaction

HIGHLIGHTS: American University of Sharjah was the first university in the Gulf region and the second outside the U.S. to be ABET-accredited.

INSTITUT NATIONAL DES SCIENCES APPLIQUÉES DE LYON, FRANCE ●●●●

STRENGTHS:

- Information Science and Technology Semester

HIGHLIGHTS: The semester program is composed of courses in English, significant research and lab work, and French language classes. This program only takes place in the fall.

MÄLARDALEN UNIV., SWEDEN ●●●

STRENGTHS:

- Software Engineering
- Computer Science
- Real Time Systems

UNIV. OF TECHNOLOGY, SYDNEY, AUSTRALIA ●●●●●

STRENGTHS:

- Information Technology
- Games Development
- Web Systems
- Programming Fundamentals
- Introduction to Information Systems
- Networking Essentials
- Database Fundamentals
- Software Engineering

- Computer Science
- Computer Aided Design

- ISEP Exchange program
- ISEP Direct program
- ISEP summer program also available
- Volunteer or internship experiences available

- Course information is available online
- Courses in English
- Course in host language

STRENGTHS:

- Computing Sciences and Technology
- Computer Systems
- Operation and Management
- Computer Networks
- Database Systems
- Software Engineering

HIGHLIGHTS: Science clubs available for student participation.

STRENGTHS:

- Computer Science
- Computer Science Engineering (undergraduate and graduate courses in English available)

STRENGTHS:

- Programming

- Software Engineering
- Intelligence Systems
- Database Technology
- Applied Networking (CISCO)
- Computer Graphs
- Interactive Multimedia
- Applied Database
- Computer and Human Interaction
- Operation System
- Computer Architecture
- Computer Networking

HIGHLIGHTS: BINUS is on of the top computer studies and information technology programs in Indonesia. BINUS has hosted the Association for Computing Machinery - International Collegiate Programming Contest, allowing students to compete against other top international institutions. The university also hosted the Google Developer's Festival. Occasionally, there are opportunities to take specialized IT certification courses by local industry partners, such as training for Cognos (Business Intelligence and Performance Management Software), owned by IBM.

AJOU UNIV., SOUTH KOREA ●●●

STRENGTHS:

- Mechanical Engineering
- Chemical Engineering
- Environmental Engineering
- Transportation System Engineering
- Architectural Engineering
- Electrical Engineering
- Computer Engineering
- Industrial Engineering
- Software Security Engineering

HIGHLIGHTS: Research opportunities with the College of Engineering at the Engineering Research Institute and other professional research institutions.

UNIV. OF PUERTO RICO-MAYAGUEZ-INTL, PUERTO RICO ●●●

STRENGTHS:

- Civil Engineering (graduate-level)
- Computer
- Electrical
- Industrial
- Mechanical
- Surveying and Topography

LULEÅ UNIV. OF TECHNOLOGY, SWEDEN ●●●

STRENGTHS:

- Chemical

- Mechatronics

UPAEP UNIV.,
MEXICO ●●●●

STRENGTHS:

- Chemical
- Civil
- Environmental
- Biotechnology
- Industrial
- Electronic
- Bionics
- Computer Systems

HIGHLIGHTS: Credit bearing internship opportunities for engineering students at the Center of High Technology Services.

BUSKERUD AND VESTFOLD
UNIV. COLLEGE,
NORWAY ●●●●

STRENGTHS:

- Electronics
- Electrical
- Automation Engineering
- Product Design
- Computer Engineering
- Microsystems Technology

HANYANG UNIV.,
SOUTH KOREA ●●●●●

STRENGTHS:

- Automotive Engineering
- Chemical and Bioengineering
- Civil Engineering
- Electronics Engineering
- Energy Engineering
- Industrial Engineering
- Information Systems
- Natural Resources and Geoenvironmental Engineering
- Nuclear Engineering
- Organic and Nano Engineering
- Urban Planning
- Computer Science and Engineering
- Electrical and Bioengineering
- Material Science and Engineering
- Mechanical Engineering

HIGHLIGHTS: Many research institutes at the university are associated with engineering fields.

THE CHINESE UNIV. OF HONG
KONG, HONG KONG ●●●●

STRENGTHS:

- Computer Science
- Mathematics and Information Engineering
- Biomedical Engineering
- Computer Engineering
- Electronic Engineering
- Energy Engineering
- Information Engineering
- Mechanical and Automation Engineering
- Systems Engineering and Engineering Management

HIGHLIGHTS: This department features numerous opportunities including involvement with research centers and institutes, competitions and societies, work study opportunities with the Placement and Internship Program, global educational exchange program in engineering and summer research internships.

SPAIN ●●●●●

STRENGTHS:

- Industrial
- Industrial Organization
- Electrical
- Industrial Electric and Automatism
- Industrial Chemical, Mechanical
- Industrial Electronics and Automatism
- Industrial Technical
- Energy
- Mining Resources and Underground Works
- Mining
- Telecommunications (Specializations in Sound and Image)

TECNOLÓGICO DE MONTERREY
(ITESM) - MONTERREY CAMPUS,
MEXICO ●●●●●

STRENGTHS:

- Chemical
- Civil
- Electrical
- Electronic
- Electronics and Telecommunications
- Industrial
- Mechanical

HIGHLIGHTS: ABET Accredited, internships for students with advanced Spanish.

MECHANICAL ENGINEERING

GOTTFRIED WILHELM LEIBNIZ UNIV. HANNOVER, GERMANY ●●●●●●

STRENGTHS:

- Mechanical Engineering (Courses Available in English at the Graduate level)

HIGHLIGHTS: Graduate students in the engineering fields are encouraged to apply for research work and study projects in one of many research centers. Hannover is a member of the “TU9 - German Institutes of Technology,” a group which includes nine technical universities of excellent standing.

LULEÅ UNIV. OF TECHNOLOGY, SWEDEN ●●●

STRENGTHS:

- Mechanical Engineering

UNIV. PÚBLICA DE NAVARRA, SPAIN ●●●●●●

HIGHLIGHTS: Some introductory courses available in English.

TECHNISCHE UNIV. DORTMUND, GERMANY ●●●●●

STRENGTHS:

- Mechanical Engineering
- Mechanical Engineering with Composites (some courses offered in English)

TECHNISCHE UNIV. GRAZ, AUSTRIA ●●●●

STRENGTHS:

- Mechanical Engineering (some Courses Available in English at Graduate Level)

HIGHLIGHTS: ISEP students enrolled at Technische Universität Graz may also sign up for courses offered at Karl-Franzens-Universität Graz at no further cost.

- ISEP Exchange program
- ISEP Direct program
- ISEP summer program also available
- Volunteer or internship experiences available

- Course information is available online
- Courses in English
- Course in host language

STRENGTHS:

- Mechanical Engineering
- Mechanical Engineering with Composites

STRENGTHS:

- Mechanical Engineering
- Aerospace
- Mechatronics
- Automotive
- Materials
- General

HIGHLIGHTS: Facilities include a library, a sophisticated computer center, sports center, language laboratory and media library, high magnetic field laboratory and Center for Water-Wave Experiments in Hannover. Technische University Braunschweig is a member of the TU9.
