

For publication in Chronicle of Higher Education and OAA website

The Department of Mathematical Sciences at Purdue University Fort Wayne invites applications for a tenure track position in mathematics beginning August 2019 (contingent on available funding). Applicants for this position should hold or expect to have completed a PhD in Mathematics or related field by Fall 2019. Preference will be given to candidates with research interests in Analysis. Faculty members teach nine credits per semester while maintaining a significant program of scholarly work leading to publication. New members are expected to enhance further the Departmental reputation for excellence in teaching and research. Appropriate department and university service is also expected. Rank is at the Assistant Professor level. The salary and fringe benefits are competitive. The Department of Mathematical Sciences offers master's programs in Mathematics and Mathematics Education, a Graduate Certificate in Applied Statistics, and bachelor's programs in Mathematics, Actuarial Science, Data Science and Applied Statistics and Mathematics Teaching. The department also has a strong Center of Excellence in Applied Mathematics and Statistics.

Purdue University Fort Wayne (PFW) is the largest university in northeast Indiana, offering 25 graduate and over 100 prestigious Purdue University undergraduate degrees and certificates. More than 10,000 students of diverse ages, races and nationalities belong to the Purdue University Fort Wayne family. We seek to develop and nurture that diversity by maintaining an inclusive community that recognizes and values the inherent worth and dignity of every person; fostering tolerance, sensitivity, understanding, and mutual respect. The 688-acre campus in Fort Wayne is home to over 8,000 degree-seeking undergraduate and graduate students. Through Purdue University Fort Wayne's partnerships with area high schools, more than 2,000 high school students take dual-credit courses, simultaneously earning both high school and college credits. Purdue University Fort Wayne is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools. Learn more about us at PFW.edu.

Applicants should submit electronically a letter of application, curriculum vita, graduate transcripts, evidence of teaching effectiveness, 1-2 page teaching philosophy, and three letters of reference (at least one addressing your teaching) to: <https://careers.purdue.edu/FW/go/FW-Faculty/7720100/>

**All candidates who are interviewed should prepare a 45-60 minute instructional student presentation.*

- The appointment will begin August 19, 2019. Screening of applications will begin immediately and continue until the position is filled. To receive full consideration applications have to be received by March 4, 2019. Employment is contingent on a satisfactory background records check. Purdue University Fort Wayne is an Equal Opportunity/Equal Access/Affirmative Action Employer fully committed to achieving a diverse workforce. All individuals, including minorities, women, individuals with disabilities, and protected veterans are encouraged to apply.
