

**Purdue University Fort Wayne**  
**Request for a New Major**

- I. Name of proposed major: *Money and Banking*
- II. Title of degree to be conferred: *Bachelor of Science in Money and Banking*
- III. Field of study, department, and college involved:  
*Department of Economics and Finance, Doermer School of Business*
- IV. Objectives of the proposed major or concentration:  
*The purpose of the major is to prepare students for positions in the banking and financial services industries.*
- V. Proposed Date of Initiation: *Fall 2019*
- VI. Describe the relationship of the proposed major or concentration to the mission of the campus or the department  
*The mission of the School of Business is “to provide quality business education to meet the higher education needs of northeast Indiana.” The proposed major will complement this mission by helping students to develop the skills necessary to be successful in the banking industry.*
- VII. Describe any relationship to existing programs within the campus  
*The major will utilize courses that are already offered in the School of Business.*
- VIII. Describe any cooperative endeavors explored and/or intended with other institutions or organizations  
*The program involves collaboration with the banks and financial institutions in Fort Wayne area. Some courses require students to conduct analysis and make presentations of their findings in local banks. One course invites representatives from local banks and financial institutions to make guest lecture presentations.*
- IX. Describe the need for the major or concentration  
*According to the Bureau of Labor Statistics, jobs related to the banking industry that require a bachelor’s degree will grow by 11-15% (above average job growth rate) between 2016-2026. The proposed major will help to meet the increased industry demand by preparing students for the positions in the banking industry.*
- X. Describe the resources required over and above current levels to implement the proposed major or concentration\*

*No additional faculty, staff, equipment or other resources will be required to offer the certificate because the proposed major utilizes the courses that are already regularly offered in the School of Business.*
