- Flu shots are available to Purdue Fort Wayne and IU Fort Wayne faculty and staff and their covered family members (starting at age 13) at no charge through your Purdue/IU Anthem medical plan.
- You must bring your current Purdue/IU Anthem medical card with you at the time of vaccination in order to receive the no charge flu shot. **Please note that we are not able to look up your plan information. Your insurance card is necessary at the time of the vaccination.**
- Due to changes in our programming, we are **not** able to provide flu shots to retirees unless you are under 65 and still covered under a Purdue medical plan or to employees not covered under a Purdue or IU medical plan.

NOTE: If you are not covered under a Purdue or IU medical plan, are covered by another plan other than a Purdue/IU medical plan, or you are uninsured, there are other resources for the flu shot available to you. You may obtain a flu shot at our campus clinic, your primary care provider, area pharmacies and the Ft. Wayne-Allen County Department of Health. If you are uninsured, you can receive a flu shot for \$32 at the campus clinic located in Walb, Room 234. Call 481-5748 for an appointment.**
