### Scheduling Exams

#### Please note:

- Students can schedule their exams within AIM <u>AFTER</u> their instructor has completed the DAC Testing Instruction Form. If the form is not filled out the student will not have access to schedule exams.
- You cannot schedule exams later than 3 business days without approval from the DAC. Approval will only be granted for exams/quizzes that the instructor has scheduled within 3 business days of the exam date.
- You can choose the date/time and which accommodations you would like to utilize on the exam.
