You may write anything you wish regarding your request for reinstatement. However, your statement should include an explanation of why you are submitting the appeal as well as any vital information to help us understand your situation when processing your appeal. You may include additional pages with your statement if the room below is insufficient.

You must include additional documentation from an academic advisor(s) or other university staff as well as any other off-campus representative(s) who can support your request with this appeal.

Our Scholarship Appeals Committee appreciates being able to fully understand your circumstances for requesting reinstatement. You will be notified through your student email (@pfw.edu) if further information is needed, or of the outcome, usually within 10-15 business days (2-3 weeks) of turning in your petition.
