Easily Access Academic Support

Hey Mastodons & Red Foxes,

I hope the first few weeks of the semester have been rewarding for you. It's certainly been wonderful seeing everyone back on campus!

As we head into this key stretch, test frequency will be increasing and there will be larger papers on the horizon. I just want to make sure you know about the resources you have that are FREE and standing by ready to assist.

Including centers devoted to tutoring and writing, your academic advisors, and your faculty members, PFW has you covered.

- Find your advisor in your go.pfw.edu account and view important messages from them in **Navigate**, which is also where you can go to book an appointment.

Faculty Member

- Have questions about course content? Need assistance understanding assignments or course requirements? Your faculty member is the best person to start with as they know their course better than anyone else.
- You can find their office hours, contact information, and other information in your syllabus, or just approach them before or after class and ask for a time to meet.

Still in need of some personal guidance? I am always here to provide any support I can.

Let's have a great week!
