

Course Material Fees

Course Material Fees support the University's Instructional Materials Program, which provides required course materials at a reduced, institutionally negotiated cost. Students may review program details and opt-out options on the Instructional Materials Access page:

<https://www.pfw.edu/instructional-materials-access>

These fees are passed directly to students at University cost.

Differential Fees

Differential Fees reflect the additional costs associated with offering upper-level coursework and nationally accredited professional programs in the following areas:

- Visual and Performing Arts
- Business
- Engineering
- Technology

These fees have been reviewed and approved by the Purdue University Board of Trustees.

Program-Specific Certification Exam Fees

Some academic programs require certification or licensure exams. Fees for these exams are charged at University cost.

Hotel & Tourism Management Program Fees

Students in the Hotel & Tourism Management program may be required to purchase program-specific items such as a knife set, apron, hat, and jacket. Please refer to your program handbook for specific requirements and costs. All items are charged at University cost.

International Student Health Insurance

International students are required to carry health insurance. For waiver options or additional information, please contact International Student Services. Insurance premiums are charged at University cost.

Lab Fees

A \$50 lab fee is assessed for applicable laboratory courses to support instructional materials and equipment. These fees have been reviewed and approved by the Purdue University Board of Trustees.
