 - 260-481-0748

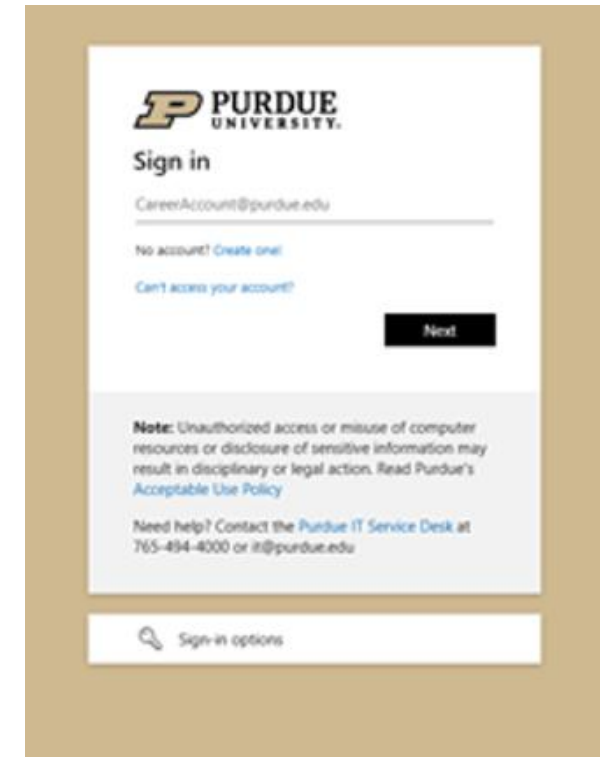

■ Coordinator

- Jackie Murray
 - jamurray@pfw.edu
 - 260-481-5478

Student Course Evaluations & NACEP Templates

- **Go-Live Date: Pending from Purdue West Lafayette**
- **Microsoft Multi Factor Authorization (MFA) for Single Sign On (SSO)**
 - All **SSO** will delegate to Microsoft for authentication instead of DUO
 - Users will use their **username@purdue.edu** to log in instead of just their username
 - Its just your current username only adding @purdue.edu
 - If you need this, please email us
 - The login screen will change to a Purdue branded version of the Microsoft sign-in
 - Users will need to enroll in **Microsoft MFA**
 - Recommended/Required method – **Microsoft Authenticator App**
 - You will need to download the app in the app store
 - Users can manage their devices at the Microsoft Sign Ins Security Info page
<https://mysignin.microsoft.com/security-info>
 - Public Article: [VPN Access Changes: Microsoft Authenticator Transition](#) (link)
 - Public Article: [Prepare for January 2026 MFA Change](#) (link)

Student Course Evaluations & NACEP Templates

▪ Step by Step Instructions

1. Go to Microsoft Sign-ins at
<https://mysignins.microsoft.com/security-info>.
2. Sign in with your Purdue credentials
 - username@purdue.edu and Career Account password
3. After signing in, select Next when prompted for more information
4. Choose your MFA method
 - Recommended: Microsoft Authenticator App
5. Complete the setup instructions
6. Next time you log into a Purdue SSO-protected application, you'll be prompted for MFA verification
7. Configure additional methods from the Security Information page
 - Purdue recommends setting up at least two methods for recovery purposes.

PFW IT Services
