

UNDERSTANDING THE DIFFERENCE BETWEEN CARE, CONDUCT, AND COUNSELING

1. CARE Team

- Focus: Support and early intervention
- Role: Helps students navigate challenges and connect to campus resources
- Approach: Non-punitive, collaborative, and care-centered

2. Student Conduct

- Focus: Policy and behavioral accountability
- Role: Addresses alleged violations of the Code of Student Conduct
- Approach: Educational and procedural

3. Counseling Services

- Focus: Clinical health treatment and therapy
- Role: Provides clinical services and ongoing therapeutic support
- Approach: Clinical and confidential
