

Global Perspectives: PFW Senior Lilian Frank Models the Study Away Experience

Lilian Frank might be searching for a job, and she has a long list of worldwide references.

The senior is an ideal ambassador and role model for Purdue University Fort Wayne's **Study Away** program, which encourages students to spend a semester in an international country. Frank has studied in England and Japan over the previous two semesters, spending summers in Italy and Korea. She has visited more than a dozen countries and is eager to continue her travels.

"Do it! Do it! Do it! Do it! Do it! Do it!" Frank gushed. "I feel like everyone I've ever met who studies abroad says it is the highlight of their college experience. I know for a lot of people it can

be hard to do because it is expensive, but there are so many resources out there if you take 5 or 10 minutes a day to look, you can seriously find lots of options.”

That’s how Frank paid for her travels, utilizing PFW’s **ScholarshipUniverse** tool. Before she started looking, Frank had no idea what aid options were available. Sometimes she found resources from the countries she wanted to visit, from businesses looking to encourage tourism, as well as the U.S. government. She’s currently considering international graduate studies after she graduates in May as an English major with a concentration in linguistics, a minor in art and design, and a certificate in international studies.

Save the Date: Summer Resource Fair Is June 3

To celebrate another successful semester and honor the dedication of faculty and staff, the Campus Support Staff Advisory Committee is hosting a Summer Resource Fair on June 3 from 3 to 5 p.m. in the Classic Ballroom at Walb Student Union.

This is your opportunity to step away from your desk, reconnect with colleagues, and explore fun

activities and resources designed to help you thrive.

Visit the event site to add the fair to your calendar and browse the growing list of vendors and activities.

Department of Human Services Senior Capstone Poster Conference

Senior students from the Department of Human Services will present their capstone projects on April 24 from 8:30 to 11:30 a.m. on the skybridge connecting Walb Student Union and Helmke Library. This event will be an open-house format, so feel free to drop by anytime.

These real-world initiatives were created to support and strengthen assigned community organizations, with students identifying meaningful projects that address specific needs based on input from their host sites. By researching, designing, implementing, and evaluating these initiatives, students showcase their dedication to making a lasting impact.

Microsoft Authenticator to Replace Duo Mobile for MFA

Starting May 29, Purdue IT will adopt Microsoft multi-factor authentication for all university accounts systemwide. This will make MFA process easier for users and eliminate the need for Duo Mobile.

All Purdue Fort Wayne students, faculty, and staff are asked to download Microsoft Authenticator and enroll with Microsoft MFA if they have not already done so.

Once the Microsoft MFA change takes place, all users will see a new login screen for local applications that are currently accessible via the Central Authentication Service, or CAS. This will also be the case for Purdue system applications, including email and those protected by Purdue Single Sign-On such as SuccessFactors, Brightspace, and others.

No action is required for users who have already enrolled in Microsoft MFA with their @purdue.edu account. After the switch, but not before, users may delete Duo from their mobile devices unless it is needed for external purposes.
