You can now make, schedule, and automate payments on behalf of this student.

Please log in using the password shown below. For security, the other login information for this account is sent in a separate message.

Purdue Fort Wayne has contracted with TouchNet PayPath, a third party company that processes credit and debit card payments. This allows students to pay tuition, fees, fines and other student account charges, conveniently, online with a credit or debit card. Effective with the Summer 2018 semester, students who use a credit or debit card to pay tuition, fees, fines and other student account expenses will be charged a 2.85 percent processing fee (minimum of \$3.00) by TouchNet PayPath.

You can avoid paying the convenience fee by paying online with an e-check, which is an electronic debit to your checking or savings account. This payment can be made over the Internet through go.pfw.edu. To avoid the convenience fee, choose the electronic check option.

You also can avoid the convenience fee by mailing a check, money order or delivering a check, money order or cash to the Bursar's Office. Always include your student ID number on the check.
